About this object

222,7 m² office space for rent on the 3rd floor of a 5-story commercial building. The office space consists of three rooms, one of them also has a glass meeting room/private office. There is also a spacious kitchenette on the surface. The surface has several entrances and is equipped with forced ventilation and cooling. The floor is carpeted in a neutral color and there are slatted curtains in front of the windows. The space is available and you can move in immediately! The entrance to the parking lot is separated by a barrier and parking is free for tenants and visitors of the building. There are also public transport stops nearby, where buses 16, 26, 26A, 33 and trolleys number 1 and 5 stop. Very reasonable ancillary and utility costs and VAT are added to the rental price. There are also larger rooms available in the building at the moment! Please get in touch and I will organize a presentation of the building.
