About this object

54.1 m² office space for rent on the 4th floor of a 5-story commercial building. The office space consists of one large room and in addition there is a common kitchen corner on the floor. The surface is equipped with forced ventilation and cooling. The floor is carpeted and there are slatted curtains in front of the windows. The space is available and you can move in immediately! The entrance to the parking lot is separated by a barrier and parking is free for tenants and visitors of the building. There are also public transport stops nearby, where buses 16, 26, 26A, 33 and trolleys number 1 and 5 stop. Very reasonable ancillary and utility costs and VAT are added to the rental price. There are also larger rooms available in the building at the moment! Please get in touch and I will organize a presentation of the building.
