About this object

For sale a large property in a beautiful location - a house, an outbuilding and 2.7 hectares of land with a forest! Are you looking for an opportunity to create your dream home in the countryside? For sale a large house with an outbuilding and a 2.7-hectare property, which also includes a forest and a small stream - ideal for those who value peace, privacy and closeness to nature. The house Construction work began about 10 years ago, but much of what is needed has already been done. The logs have been replaced and a new stone roof with a roof structure has been installed. All windows have been replaced with wooden-framed double-glazed windows and all openings have been closed. Underfloor heating piping has been installed and water has been brought into the house, there is a borehole. A septic tank with a seepage field has been installed. Two-thirds of the house has a concrete floor, the rest was planned to be wooden. The chimney has been laid up
