About this object

We have started selling a terraced house at Rehetare tee 2a, with a total of 9 spacious boxes, which will be completed in the fall of 2025. Early bookers have the opportunity to have a say in the choice of materials. The area is characterized by a suburban atmosphere, which has become very popular with many people today, which on the other hand offers enough privacy and security. The city center is a short 6 km journey away, the city border is one kilometer away. There are also bus stops nearby. The nearest larger shopping center Lõunakeskus is three kilometers away. There is also a school and kindergarten nearby. The new development is behind a beautiful and tall spruce hedge, which guarantees you privacy and a peaceful living environment. + the building's energy class is A + comfortable and economical water floor heating with the possibility of room-based temperature regulation + the box has its own ventilation unit with heat recovery, whi
