About this object

For sale is a newly renovated apartment in a renovated building, on the border of Karlova and the City Center! The price includes new kitchen furniture with appliances (refrigerator, stove, oven, dishwasher and washing machine). The property is located on one of the shortest streets in Tartu (95 m), Marta Street, building no. 3. The house was completely reconstructed in 2017 and contains a total of 16 apartments. Our property has just undergone a complete renovation, during which new plumbing, new electrical wiring, etc. were installed. The floors are covered with SPC parquet, which is very durable and highly scratch and dent resistant. Characteristically for Karlova, the apartment has wooden windows corresponding to the environmental value area (two separate frames, one of which is a package) and with window sills approximately 70 cm deep. This is an apartment located on the high first floor, with high ceilings and a through-the-house layout. Th
