About this object

3 bedroom apartment for rent in the city center in quiet Aasa street, in Uue Maailma (New World) settlement.

Aasa street is one of the most picturesque and fully preserved streets in Uue Maailma, where all the houses were built between 1929 and 1932. The street was planned as a garden-like area with large yards, which has preserved such a milieu until now.

The building has been thoroughly renovated. The apartment has high ceilings, a beautiful wooden floor.

The yard is enclosed by a metal fence, electronically opened gates.

Beautiful landscaped yard with a recreation area.

Tenants can use the sauna rooms in the basement and the barbecue pavilion in the yard for a small additional fee; the gym in the basement and the bicycle storage room in the yard are free to use.
