About this object

A 2-room apartment with a convenient logistical location has come up for sale. APARTMENT The apartment with a practical and private layout consists of: hallway, living room with open kitchen, bedroom, toilet with bathroom and access to a balcony of 2.6 m² from the living room. Good space planning ensures privacy. The good location in the building ensures the desired peace and quiet, the windows and balcony open to the courtyard and away from Pärnu highway - this ensures the desired silence even in summer when the windows are open. The floors are covered with natural parquet and the hallway, kitchen area and wet rooms are tiled. The sale price of the apartment also includes a storage room on the lowest floor of the building. Utility costs on average in winter, including electricity and water, are approximately 250 euros per month and in summer, approximately 170 euros per month. BUILDING/PARKING The building, completed in 2004, is an 8-story build
