About this object

A bright and spacious apartment in Kadriorg with a great location, suitable for both families and those who appreciate a peaceful and green living environment near the city center.
Mäekalda Street is peaceful and private, away from the noise of the park, but at the same time only a short walk from Kadriorg Castle and the KUMU Art Museum.
The apartment has comfortable electric heating: radiators and an economical air-source heat pump, which also functions as an air conditioner. On colder evenings, a heat-storing fireplace creates a cozy atmosphere.
In addition, the apartment has a sauna, which offers relaxation after a long day.
