About this object

A spacious and bright apartment with a great layout and two parking spaces.

The heart of the apartment is a spacious living room with an open kitchen, where there is enough space for both everyday living and entertaining guests.

Large windows bring a lot of natural light into the room and the windows offer beautiful views.

The sun's rays can be regulated by the sun protection film installed on the windows, which makes the rooms pleasantly cooler in summer.

Each room also has a French balcony and air conditioning.

The apartment has two separate bedrooms, a separate wardrobe room, and a large bathroom.
