About this object

The ideal place to build your dream home – in peaceful Klooga township!

For sale: a residential plot in the heart of Klooga, Lääne-Harju municipality, Harju County. The plot includes a 2-storey wooden house built in 1961. The building requires complete renovation, offering a great chance to create your dream home or make a smart investment.

A valid electricity contract, central water on the plot. The house had a water connection and local sewage system decades ago, but by now the piping has completely depreciated.

Surrounding services and location:

* The territory of Klooga township has the Klooga electric train stop of the Keila-Paldiski railway (35 km from Tallinn, 11 km from Keila) - 2 km away, bus stop - 850 m.
