About this object

A freshly renovated 3-room apartment is available for rent in the Telliskivi area, on Rohu Street.

The apartment is located in a fully reconstructed heritage wooden building and is situated on the attic floor. This is a brand-new apartment that has not been lived in before.

APARTMENT

The total floor area is approximately 65 m² (54.6 m² according to EHR). The layout is spacious and filled with natural light, while the sloped ceilings add character to the space. The interior finishes are light and natural, matching the style of Northern Tallinn wooden houses.
