About this object

A bright and sunny 3-room apartment for rent in Tallinn, on A.H.Tammsaare tee 83. The size of the apartment is 49.1 m² and the practical layout is well suited for both a couple and a small family.

One of the great advantages of the apartment is the good amount of light and the movement of the sun during the day - the morning sun shines in the bedroom and the room currently used as an office, and the evening sun shines in the living room. Thanks to this, the home is pleasantly bright both in the morning and in the evening.

Apartment and interior Several important details have recently been updated in the apartment: new parquet throughout the apartment, new kitchen furniture, new stove, a refrigerator and a washing machine, most of the furniture in the pictures will remain in the apartment.
