About this object

A historic summer villa in Kadriorg Park.
Located in the immediate vicinity of Kadriorg Pond, this beautiful log house, with a total area of 303 square meters, carries a long history and dignity. The private house captivates primarily with its historically fascinating solutions and finishes.
The two-story private house has five rooms, three of which are bedrooms. The house also has two large balconies, where you can enjoy the sun with a book on warm summer days.
The spatial structure of the building is divided in such a way that the second floor houses the family's more private rooms (bedrooms, bathroom with sauna, shower room, storage room, wardrobe with window, second living room with balcony (53m²) and study area (23m²). The ensuite master bedroom (23m²) has a fireplace and access to the second balcony facing the park.
