About this object

For sale: a well-planned 2-room apartment with a cohesive interior finish on F. R. Kreutzwaldi Street in Võru. This home is well suited to a single buyer or a couple who value a move-in-ready home, a good location, privacy, and the convenience of getting around on foot.

The apartment is located on the 5th and top floor of the building. Its elevated position provides plenty of natural light, a more open view, and greater privacy, with no neighbours above. The living room and kitchen offer a partial view of Lake Tamula.

The apartment was thoroughly updated in 2020. The electrical wiring and fuse board were renewed, as was the plumbing. The interior is cohesive and distinctive, combining darker accent tones, warm wood finishes, and carefully considered lighting.
