About this object

FOR SALE COMMERCIAL PROPERTY WITH AN EXCLUSIVE LOCATION AND GREAT BUSINESS POTENTIAL IN Võru! A rare opportunity to acquire two commercial properties with an excellent location and logistical potential in the city of Võru - with a total area of 6925 m². This is a strategically very well-located commercial property, which offers excellent opportunities for both production, logistics, warehousing and trade activities. STRATEGIC LOCATION AND EXCELLENT ACCESS The properties are located in a logistically important hub at the intersection of the roads leading to Valga and Võru and on the road leading to Luhamaa, i.e. the main road artery. Excellent connection to the main traffic arteries ensures convenient access for customers, partners and employees and allows smooth traffic even for large trucks. As an additional value, it is possible to create a direct connection to the railway, which opens up new perspectives for companies engaged in large-scal
