About this object

For sale is a well-planned apartment renovated in 2025. The apartment has an open living room with a kitchen, bathroom, 3 good-sized bedrooms. The windows have been replaced, the floors are laminate. The bathroom has underfloor heating. The apartment has new radiators with heating meters.

The building has its own gas boiler for both heating and hot water. The electricity and water meters are automatic. The house has a repaired roof, the end walls have been insulated, the water and sewage pipes have been replaced, the balcony railings have been renovated, and the staircases have been repaired.

There are enough parking spaces in front of the house.
